

# China 2010 – Blog Creation

---

**Purpose:** Throughout our class and trip, we want to ensure that you're taking time to reflect about your journey and what you're learning. This Blog is setup as a virtual journal so that you can capture your experience with pictures and also share it with your friends and family who might be following along! Each class session you'll get different reflection prompts to address.

**Directions for Setup:** Before getting started, please read through the steps in order to ensure that you set your Blog up properly. It is VERY important that you do not use your full name anywhere in the Blog.
